TOTAL (B)		133,135	-	133,135

MATERIALS FOR PRESS NOTE ON 11.2.08

(Based on reports on 10.2.08)

Since 15.1.08, GOI notified 48 blocks and five municipalities of 14 districts of the state as affected by Bird Flu outbreak. Last notification was done on 2.2.08. Since then, no new area has been notified. Small areas of two non-notified districts have been brought under surveillance as being adjacent to notified blocks of other districts.

On date, a total of 15.9 lakh people have been surveyed for fever and upper respiratory infection. Out of which 951 cases (0.06%) of fever have been identified. A total of 30 biological samples have been tested for Influenza A H5N1. All the samples tested negative. Till date, no suspected case of human Avian Influenza has been detected.

On date, 3745 health personnel engaged in community fever surveillance and 3266 cullers and ARD staff/volunteer engaged in culling, mopping and disinfection have been medically examined. Cullers and ARD staff have been given prophylactic Tamiflu.

Central and State Rapid Response Teams, senior State health officers and faculty members of the medical colleges are engaged in surveillance activities at all the affected districts.

Isolation/observation wards have been set up and equipped with ventilators, pulse oxymeters and other necessities at all identified facilities of the affected districts. Till date, 17 patients under investigation have been admitted in those facilities, out of which 16 have already been discharged. Department has ensured adequate supply of drugs, PPE, three layered masks, caps, aprons and other logistics to combat any eventuality.

Adequate IEC materials have been prepared and used by the State and districts for dissemination of relevant messages to the community. These include leaflets, posters, handbills, audio message, audio-visual clippings, short film, and public message in different languages through advertisements in leading dailies. All the IEC materials, guidelines, forms and protocols and important documents related to Avian Influenza have been made available to the community at the website: www.wbhealth.gov.in.

Daily coordination meetings are being held at the state and district headquarters.
