

GOVERNMENT OF WEST BENGAL
HEALTH & FAMILY WELFARE DEPARTMENT

Memo no HFW-40099/34/2020-HA/84

Date - 05.08.2020

ORDER

In order to strengthen monitoring of Covid positive patients through Covid Patient Management System (CPMS) and further critical patients in ICU/CCU/HDU and other serious patients in wards, it has been decided to issue additional directives in continuation of earlier orders dated **HFW-40099/34/2020-HA/57 dated 16.07.2020** applicable to government and government requisitioned private hospitals and order No **HFW-40099/34/2020-HA/72 dated 27.07.2020** applicable to private covid hospitals-

1. A CCU/ICU/HDU patient monitoring module has been developed within CPMS for monitoring of such patients. It shall be mandatory for all Covid hospitals to ensure entry of vital parameters of such patients in the module twice daily.
2. The PMT (protocol monitoring teams) shall during every daily visit to a Covid hospital visit critical patients in such facilities and enter their observations in CPMS through tablets provided to them.
3. The Investigation module has been simplified so as to enable scanning and uploading of all lab reports including images. This shall be ensured for patients wherever any lab investigation is conducted.
4. The MSVP/CMOH/ Superintendent / Medical Superintendent of a Covid hospital shall make due diligence to ensure accuracy and timely updation of all

data pertaining to admission, EWS, CCU module, discharge/death as the case maybe on daily basis.

5. The MSVP/CMOH/ Superintendent / Medical Superintendent of a Covid hospital shall analyse their own data and ensure that all patients and particularly serious patients identified in CPMS are duly attended by attending doctors and QRTs as and when required.

6. The MSVP/CMOH/ Superintendent / Medical Superintendent of a Covid hospital shall further ensure on daily basis that only serious patients requiring CCU/ICU/HDU occupy such beds so that more critical patients are not deprived of such facilities. Similarly, daily analysis of patients based on their CPMS score and advice of attending doctor has to be done so as to ensure that asymptomatic / mildly symptomatic patients are not occupying wards for an unreasonable period of time.

This order shall take immediate effect.

Date - 16.07.2020

ORDER

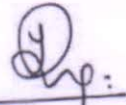

In order to ensure effective monitoring of Covid positive patients in all Covid hospitals, the Covid Patient Management System has been launched under wbhealth.gov.in (work zone).

It is hereby directed that 100% entry every day shall be ensured for:

- a) All admissions including proper entry of symptoms and co morbidities if any.
- b) Early Warning Score of every patient at least once daily
- c) Investigation results of lab wherever done
- d) All discharge / death.

The MSVP/ Superintendent/ Hospital Superintendent/ Nodal Officer shall personally supervise and ensure that the system is updated on a daily basis.

This may be given highest priority.
