Memo No. |M| 991

Date : 17/05/2021

Sub : Covid-19 Clinical Research Steering Committee

In order to facilitate generation of real world data and evidence that may guide further policy decisions as appropriate to contain and manage Covid-19 during the second wave of the pandemic, a Covid-19 Clinical Research Steering Committee, as hereunder is hereby constituted. The Committee would guide and oversee planning, conduct and data analysis of relevant Covid-19 Clinical Research projects, and provide final recommendations from such research projects to the office of the undersigned.

1. Prof Santanu Tripathi, Former Professor of Clinical Pharmacology, School of Tropical Medicine, Kolkata
2. Prof Avijit Hazra, Professor of Pharmacology, IPGME&R and SSKM, Kolkata
3. Prof Jyotirmoy Pal, Professor and HoD, Dept. of Medicine, R.G Kar Medical College, Kolkata
4. Prof Dilip Paul, Principal, B C Roy PGIPS

A proposed study, entitled "Investigating Treatment Patterns, Protocol Compliance, and Outcomes among Covid-19 In-Patients in Selected Covid Care Hospitals in Kolkata - A Prospective, Observational Study" has been planned that shall particularly study status of use of steroids and oxygen therapy and their impact on patient outcomes.

Interested doctors from different Covid Care government hospitals of Kolkata, willing to join this project as Investigator may write to the undersigned (email of DME, WB) within two days.
