Memo No. DME-Spl. Corresp/2020/70

Dated 02.04.2020

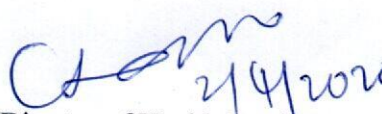

**ORDER**

The Director/Principals of the Medical teaching Institutions mentioned in Column 2 are being directed to constitute a Medical Board with senior faculties (Professor/Associate Professor) from disciplines of General Medicine, Chest Medicine, Paediatric Medicine, Anaesthesiology, Microbiology and Community Medicine functioning in an advisory capacity for giving guidance regarding management of the patients suspected to be suffering from COVID-19 infection in the Districts/Health Districts mentioned in Column 3.

It is further directed that mobile medical team comprising of Assistant Professor, RMO and PGTs/ House staffs of the disciplines mentioned above shall be constituted and made to visit different COVID-19 hospitals in the District/Health District to coordinate the treatment of admitted patients.

The Director/ Principal will maintain coordination with concerned District Magistrate and CMOH to combat the COVID-19 pandemic.
