Memo No.- HPH/10P-03/2018 Pt II/ 132

Dated: Kolkata, the 24rd June, 2020

Order

It is important to regularly assess, by physical visit to hospitals, as to whether protocols regarding treatment of COVID 19 patient are properly being followed and the required steps for treatment of co-morbidities are being taken. In this regard, Protocol Monitoring Teams(PMT) are hereby formed with the following officers to look into these matters-

Team No.	Name	Designation	Contact No.
A	Prof Dr Amitava Chakraborty	Prof. Dept of Medicine CNMCH	9434524932
	Dr Sujoy Sarkar	Associate Prof CNMCH	9831570443
	Dr. Sourav Kundu	MO (Supy)	9830825871
B	Dr Nandini Chatterjee	Prof Dept. of Medicine, SSKM	8145005804
	Dr SatikSiddanta	Assistant Prof. Dept. of Medicine, SSKM	9433151126
	Dr. Parimal Majumder	MO (Supy)	9474310553

While PMT will visit hospitals conducting Covid-19 treatment on a random selection basis, it will specifically visit the hospitals where any death related to Covid-19 occurs, preferably within 24 hours of receipt of the death information. They will go through the treatment records of the deceased patient and interact with the concerned personnel of the hospitals and will see whether any gap has occurred in the management of the deceased.

They will also provide hand holding support to implement the case management protocol and will identify areas of improvement of the treatment to prevent COVID-19 deaths.

They will report to the undersigned from time to time.
