It has been observed in recent time that huge number of proposals for Civil, Electrical and Information Technology related works (including short time outsourcing of Data Entry Operator for COVID reporting) along with estimates have been received by this Department from COVID related health institutions. The need is felt for decentralization of power to approve such schemes for speedy execution of such works.

In view of the above observation, the Governor has been pleased to accord approval with respect to delegation of power (upto 25.00 Lakh) to the (1) Principals of medical College & Hospitals and (2) the District Magistrates of the concerned district to execute all those COVID Ward related works of COVID Hospitals on an urgent basis.

To facilitate the process, requisite fund as Grant-in-Aid under HOA"2210-06-101-052(Prevention & Control of COVID-19 Disease) 31-02",required for Civil, Electrical and Information Technology related works(including short time outsourcing of Data Entry Operator for COVID reporting), has been/will be transferred to the bank/deposit account of West Bengal State Health and Family Welfare Samity so that the Samity can disburse the same to the Principal of Medical College & Hospital for COVID ward of the concerned Medical College and Hospitals or District Magistrates of concerned districts for COVID ward of Hospitals other than Medical College & Hospital, as the case may be, for undertaking the works mentioned above.

Requisite COVID funds have been transferred by West Bengal State Health & Family Welfare Samity to Medical Colleges (R.K.S.) and District Health & Family Welfare Samity. This amount is to be utilized for Civil, Electrical and Information Technology related works (including short time outsourcing of Data Entry Operator for COVID reporting).

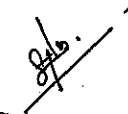

As the fund will be treated as Grant-in Aid, no Administrative Approval and Financial sanction will be required at the end of Principals, Medical College & Hospitals or District Magistrates, who may incur expenses as per **grant guidelines**.

No such scheme needs to be sent to the Department for approval up-to Rs. 25.00 Lakhs.

This order is not an authority to incur expenditure and all funds so provided shall have to be utilized upon strict observance of all financial norms and extent rules & regulations being enforced for the time being.
