Sub : Setting up of Mechanized laundry Units in Government Hospital premises.

Ref:- Memo No: HF/PPP/6/2017/pt-I/928 Date 07 /06/2018

Sir/Madam,

Department of Health & Family Welfare have planned to establish mechanized laundry services in PPP model throughout the state. It is proposed that there will be nine (09) such centralized units and various adjoining hospitals shall be tagged to the centralized units. The details of tagging are given in Annexure I.

The service requires space of about 5000-6000 sq ft, power of about 300-325 KVA and water supply to the tune of 35000-40000 liters per day for catering to 5000 pieces of linens approximately. Before RFP is floated, we need to have the infrastructure including power and water availability ready.

You are requested to take up with the local PWD engineers to prepare estimate for making site ready and for making the power supply of around 300-325 KVA ready if not already submitted. You are also requested to take up with the Municipality (if municipal water supply is available) or explore setting up deep tube well for supplying the requisite water supply with storage facilities. For this an indicative provision of underground water storage for about 20000 - 25000 liters and overhead storage of about 6000 -8000 liters capacity is suggested subjected to variation as per local needs as well as size of units.

While making the site ready, provision for proper drainage should also be made with an outlet for treated effluent water to prevent water logging. Private partner will be requested to pay for the user charges of electricity and water as applicable. He shall also be required to treat the water before discharge into the drain. The required site should be vacant, plain land with a boundary wall of around 10 feet and all-weather road up to the site.

Any correspondence in this matter may be sent to spsrc.ppp@gmail.com and pppdialysis1@gmail.com . In case of any further query, you may contact with Sri Debashis Dey Consultant Dialysis PPP at +91-8961466707

This has approval of higher authorities of the Department.

This is very urgent.

Yours faithfully,

TO SPSRC,

Health & FW Dept.

Memo No: HFW-14015(11)/2/2019-SPSRC SEC-Dept. of H&FW /PPP/1135
