**Training order**

State Government has planned to protect the children by augmenting in-patient Covid facilities both in form of general as well as critical care beds for the younger age group. This includes augmentation of facilities for Pediatric Dialysis in selected institutions. At present about 31 dedicated Covid Dialysis Units are functional and some new units are under process. To make the existing set up effective to deal with Pediatric Dialysis cases, a comprehensive training program will be conducted on Pediatric Dialysis Management with special emphasis on Covid situation.

The details of the training program will be as follows:-

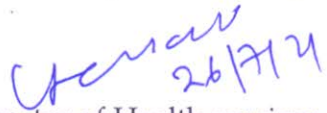

1. The Training will be conducted from 02.08.2021 to 07.08.2021, at three venues, IPGMER -SSKM, NRS MCH and Kolkata MCH.
2. It will be both offline and online training program, where Medical Officer and MT Dialysis will be oriented by expert panel of Nephrologists including experts in Pediatric Nephrology, through classroom lectures and practical classes.
3. The lectures classes will be simultaneously held on Zoom platform for wider participation. Post Graduate Trainees in Nephrology, Medical officer of PICU, NICU, SNCU and MT Dialysis may also join. (Link will be shared to all by concerned training centers/SPSRC cell of the department).
4. MT Dialysis of all the PPP Dialysis units, functional in State will join the lecture classes online, as per convenience without hampering patient services. ( Administrators of PPP unit will co-ordinate)
5. The schedule of the Training program is attached in Annexure –I, and the list of departmental MT Dialysis who will attend the training program, physically in two batches A and B is attached in Annexure II.
6. Concerned MSVPs, CMOHs and Superintendent are requested to release the MT Dialysis to attend training program as per Annexure-II.
7.
