**Subject: Technical aspects of Critical Care Block as recommended by the Expert Committee**

Sir,

In reference to the subject cited above, I am directed to share the technical aspects of Hybrid Critical Care Unit and Operation Theatre which are the essential parts of the upcoming Critical Care Blocks. These are the recommendation of the Expert Committee constituted to give advice in drawing and designing of CCBs. Following two documents are enclosed herewith (Technical aspects for 24-bedded Hybrid CCU & Operating Theatre Design) which may be circulated among respective PWD Divisions entrusted to execute the construction works of CCB to maintain uniformity throughout the State and to ensure fulfilment of additional services as envisaged in the GOI guideline.

Enclosed: As stated

Yours faithfully,
