Swasthya Bhawan  
Government of West Bengal

No. 243-Secy/HFW/2021

Date : 08/11/2021

To

1. All Principals/MSVPs of Medical Colleges,  
Government of West Bengal
2. All CMOHs of Health Districts  
Government of West Bengal

Sub : Urgent Fire Safety Audit in all Medical Colleges & Hospitals

Sir/Madam,

In continuation of previous orders issued in this regard a thorough review of fire fighting arrangements in its entirety has become highly essential.

Sufficient funds for specific schemes relating to fire fighting arrangements have been provided over the years by the Department to various Medical Colleges & Health Institutions.

A designated Assistant Superintendent (Non-Medical) for Medical College & Hospital and a specific Deputy CMOH for every health district is already in place to review fire fighting arrangements on a continual basis vide letter no. 95/Secy/H&FW/2021 dt 12/05/2021.

Now, it is once again requested to conduct fire safety audit immediately at all Government Hospitals and throughout the State in co-ordination with PWD and officials of Fire & Emergency Services Department immediately to ensure safety and security of all patients and staff as well as protection of hospital equipments. In this regard, Shri Shyamal Mondal WBCS (Exe.), Special Secretary of the Department (Mobile No. 9836736669) will act as the Nodal Officer.

This matter must be accorded highest priority and viewed most seriously.

Yours sincerely,

  
Secretary 8/11/2021

Health & Family Welfare
