Public Works Department, Nabanna

Sub: Post Facto Approval for inviting short-notice tender in connection with different electrical works at Covid hospitals

Sir,

The prevailing health emergency that has occurred due to outbreak of Covid-19 disease requires immediate provision of new Covid hospitals, augmentation of general and CCU/HDU beds at existing Covid hospitals, setting up of laboratory and diagnostic facilities etc.

Hence, there is paramount public health interest in ensuring that civil, electrical and medical gas pipeline works are completed in different hospitals at fastest possible time. Being a national emergency of unprecedented and historic scale, delay in arrangement of beds and laboratory/diagnostic facilities at hospitals may lead to loss of human lives.

Thus, PWD(Electrical) wing has been requested on very few selective cases to finalize tenders with short notice instead of following the existing norms. CE, Electrical (PWD) and EE, Kolkata North Health Electrical Division (PWD) have submitted list of five such works where tenders have been finalized with short notice.

Sl No	Name of the work	Estimated Amount(Rs)	Work Status
1	M R Bangur Hospital- Urgent conversion of the burn unit-I cubicles into ITU 24 nos cabins for Covid-19	13,00,783	Completed
2	ID & BG Hospital - urgent electrical installation works for site preparation for CT Scan Machine at Radiology Building	14,21,558	Completed
3	ID5 & BG Hospital - Ward conversion for corona cases for 25 Covid general beds and 25 Covid HDU of GB-5 ward-Electrical Installation	39,58,162	Completed
