**To : 1. CMOHs –All District
2. Chief Municipal Health Officer, KMC
3. DFWO, Kolkata**

Sub : Final Call for data correction & verification in HMIS data FY 2021-22 (all quarters)

Ref : HFW-27011/234/2021-NHM SEC-Dept. of H&FW / 1219, Dated: 04 / 04/2022

Madam/Sir,

In reference to the letter mentioned above, you were advised to conduct Physical verification of reported HMIS data for the FY 2021-22 within 17th April 2022.

But, from the recent observations of data analysis conducted, it is revealed that some serious data error/outliers still persists in the reported HMIS data of FY 2021-22, e.g. South 24 Parganas has reported 409 cases of Diphtheria; Howrah district has reported 2 death cases due to sterilization which have legal implications and Purulia has reported 7 AEFI death cases. Such similar data errors are noted and placed in the report annexed with this letter for ready reference and immediate corrective action.

You are requested to strictly supervise the data correction/modification activity for both 'Monthly MIS data and Infrastructure & HR' data reported in HMIS Portal for 2021-22 and instruct all concerned to complete the activity within 15th June 2021. Deputy CMOH III and DPHNOs with support of respective DSM will be closely monitoring this activity for both public and private data and will be responsible if further data error is detected in the data of FY 2021-22.

Yours faithfully,

**(Soumya Purkait)
Senior Special Secretary
Department of Health & Family Welfare**
