Sub: Inspection visit of NTS for enhancing the seats of ANM Training under NUHM

Sir,

You are all aware that ANMs are the key persons for rendering service through UPHCs and there is an acute shortage of ANMs under NUHM. So, to meet up the huge gap of ANM under NUHM, few additional training centers may be worked out to enhance seats in two years ANM training course.

Regarding this, the eight (8) Nursing Training Schools may be adopted without hampering the existing training of Nursing. But modifications of infrastructural (Classroom and hostel building) facilities may be required to start the said course.

In this connection, you are hereby requested to inspect the following health facilities to acquire the new Nursing School in your district for working out the feasibility of additional proposed seats for 2 years ANM Training Course under NUHM. You are requested to examine the infrastructure (Classroom and hostel building), hostel accommodation, teaching logistics as well as availability of teachers and accounts personnel in the proposed health facilities. The team of inspection will be constituted with DPHNO of the concerned district, Principal and MSVP of the institution/ Superintendent of the Hospital, Nursing Superintendent (1) of the concerned institution and Principal/PNO (sister tutor in absence of PNO) of any NTS of your district.

Sl no	Name of the Hospital	Proposed Seats
1	NTS, Alipurduar D.H.	30
2	NTS, Jalpaiguri D.H.	30
3	NBMC& Hospital	50
4	NTS, Gandhi Memorial Hospital	50
5	Suri D.H.	50
6	Diamond Harbour MC & Hospital	50
7	Raiganj MC & Hospital	50
8	Rampurhat MC &Hospital	50

After thorough inspection, the team will prepare a detail report regarding all these components and mention where any renovation or additional requirements are needed to start the ANM courses. You are requested to send the report to the undersigned by 15th of November, 2020.

Yours faithfully
