MEMO

With reference to his office, U.O. No.326 dated. 05.06.2018, the undersigned is directed to state that it has since been decided that the 13 (thirteen) items of medicines, as mentioned in "Annexure I" would henceforth be purchased directly by the Central Medical Stores (CMS), on the basis of indents received from different Tertiary Hospitals/ District Hospitals etc. The IT Cell of the Department will develop an application module within SMIS through which the indents would be placed to CMS but till such time as it is developed, the indents will be placed to CMS through email, as and when required.

2. DDHS (E&S) will assess the likely monthly off take of each of the medicines, and maintain a buffer stock representing approximately one month's consumption with CMS, at any point of time.

3. The tenure of validity of CMS approved rates for the 5 items as per "Annexure -II" for which earlier rates are available may be extended till September 2018, or finalization of new rates through tender, whichever is earlier.
