**Subject:** Defect in Project implementation plan for 1.5 Tesla MRI at Kolkata Police Hospital by Spandan Diagnostic Centre Pvt. Ltd.

Reference above, a meeting to review the project implementation status was held on 22/11/2022 at Swasthya Bhawan and through virtual mode to take stalk of the project progress status.

In the view of above, it was observed during a site visit undertaken by our officials to the project site to check the physical progress of the turnkey work it was observed that entry gate to the imaging room has not been properly planned. Stretcher carrying a patient cannot enter into the imaging room through the gate properly which may cause problem for patients, resulting delay in progress of civil work and further delay in commissioning of the project.

In the above context, you are directed to provide clarification that why proper planning has not been carried out before starting of turnkey work and such shortcoming observed at final stages of project.
